We proudly partner with the National Center for Safety Initiatives (NCSI) to complete background screenings and the U.S. Center for SaferSport to provide online training.

30,000+ coaches have completed the background screens since 2018.

20,000+ coaches have completed the online SaferSport training since 2019.

How can I help to keep youth athletes safe?

- Complete the online SaferSport™ training
- Review athlete safety policies and educational resources
- Talk about appropriate behavior with athletes
- Report concerns
